14. Each of the above-named defendants are/were required to swear an oath of office part of which requires each defendant to “support and defend” the constitution of the United States of America.

15. In the 1972 decision in Dunn v. Blumstein, Justice Marshall stated, “In decision after decision, this Court has made clear that a citizen has a constitutionally protected right to participate in elections on an *equal* basis with other citizens in the jurisdiction.” And again in the 1974 Richardson v. Ramirez case, Justice Rehnquist wrote: “Because the right to vote ‘is of the essence of a democratic society, and any restrictions on that right strike at the heart of representative government,’ ... voting is a ‘fundamental’ right.”¹

1 The 15th Amendment gave African American men the right to vote in 1870. But many weren't able to exercise this right. Some states used literacy tests and other barriers to make it harder to vote.

The 19th Amendment, ratified in 1920, gave American women the right to vote.

The 24th Amendment, ratified in 1964, eliminated poll taxes. The tax had been used in some states to keep African Americans from voting in federal elections.

The 26th Amendment, ratified in 1971, lowered the voting age for all elections to 18.

The Civil Rights Acts created some of the earliest federal protections against discrimination in voting. These protections were first outlined by the Civil Rights Act of 1870 and were later amended by the Civil Rights Acts of 1957, 1960, 1964

The Voting Rights Act of 1965 prohibited voter discrimination based on race, color, or membership in a language minority group. It also required certain places to provide election materials in languages besides English.

The act also placed limits on certain states with a history of voter discrimination. These states had to get federal approval before passing voter restrictions. A 2013 Supreme Court decision struck down this rule.

The Voting Accessibility for the Elderly and Handicapped Act of 1984 required polling places to be accessible to people with disabilities.

The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) of 1986 allowed members of the U.S. armed forces and overseas U.S. voters to register and vote by mail.

The National Voter Registration Act (NVRA) of 1993 created new ways to register to vote. It also called for states to keep more accurate voter registration lists.

The Help America Vote Act (HAVA) of 2002 authorized federal funds for elections. It also created the U.S. Election Assistance Commission (EAC). The EAC helps states comply with HAVA to adopt minimum standards on voter education, registration, and ballots.

16. On or about November of 2020 and during the election cycle, Clerk SHERYL GUY intentionally deleted cast ballot information from polling machines. (See Transcript Exhibit #1)

17. Defendant SHERYL GUY also failed to secure the polling machines and allowed Peter Garwood, Antrim County Administrator unauthorized unfettered access to the voting machines used during this election.

18. Because some ballots were deleted, Plaintiffs vote/s was/were not counted as an equal ballot as to ALL the ballots cast and ALL of the ballots that should have been tabulated accurately.

19. There are specific dates and timing deadlines in fulfilling the Duties of the County Clerk during elections.

20. Defendant Clerk SHERYL GUY failed to meet these standards by deleting votes from voting machines.

21. Defendant Clerk SHERYL GUY allowed PETER GARWOOD Antrim County Administrator unauthorized unfettered access to voting machines

22. Part of the county clerk’s responsibility during an election is to ensure the security and process of an election.

23. Plaintiff RANDY BISHOP advised the Antrim County Commissioners of the County Clerks Alleged Conduct by constructive legal notice on January 20, 2022.

The Military and Overseas Voting Empowerment (MOVE) Act of 2009 improved access to voting by military and overseas voters.

24. Antrim County Commissioners have oversight of the County CLERK SHERYL GUY.
25. The Antrim County Commissioners failed to take any action.
26. Plaintiff BISHOP advised Defendant Antrim County Prosecuting Attorney JAMES ROSSITER of the County Clerks Alleged Conduct.
27. Antrim County Prosecuting Attorney JAMES ROSSITER has the authority to investigate wrongdoing.

March 4 2021 Antrim County Board of Commissioners' Meeting Page 1 of 3 Antrim County Commissioner, Christian Marcus Antrim County Clerk, Sheryl Guy www.ubiquis.io Page 1 of 3 [0:00:00] Christian Marcus: Probably the biggest question is to — um, makes it difficult for me to want to ask the questions because the people have been very loud about "Why aren't we doing anything? Why aren't we asking questions? Why aren't we getting answers?" [0:00:15] So, I'm going to ask the question. Since we had some people that have spoken to the media, have given their opinions, have made statements, have spoken at the state level, have made — gave their opinions and statements. [0:00:30] Well, I would like to ask this one direct question to the clerk: Did you direct or delete yourself any files on Dominion Services? Did you direct anybody in your staff to do so? [0:00:45] Sheryl Guy: I can tell you one thing, Christian Marcus. Because the Global Antrim County Election Program was not updated after two — [0:01:00] — additions or corrections, to two township ballots was completed, that we needed to pull every tabular card — tabulator card back to match — [0:1:15] — the election night reporting. We worked fiercely because once it wasn't automatically uploaded, we had to go in to every single precinct, ballot style, race — [0:01:30] — and put those numbers in. So, when you're saying, "Who went in and worked on those files whether they deleted them, replaced them, changed them, or corrected them?" it was my office. [0:01:45] March 4 2021 Antrim County Board of Commissioners' Meeting Page 2 of 3 Antrim County Commissioner, Christian Marcus Antrim County Clerk, Sheryl Guy www.ubiquis.io Page 2 of 3 I have never gone onto that machine but it was my staff and it was because they were doing their job. We truly did not have correct training with the Election Source — [0:02:00] — new program because we didn't know we had to pull all the cards back not just the ones we had fixed. So, when you're talking about who did it, I did it. [0:02:15] My office staff did it under my authority to get those numbers right. It wasn't fraud. It was doing my job, getting my numbers certified as the Canvasser certified in total — [0:02:30] — reporting to the State Board of State Canvassers. So, I can tell you, I trust Dominion. I can honestly say the training was not adequate. I can tell you that every — [0:02:45] — Dominion machine is covered under contract for all maintenance for the first five years of usage. The second five, the townships pay their portion. I have a tabulator as a backup. [0:03:00] If a tabulator goes down, I ship my machine to Banks Township. They put their tabulator card in my machine. So, it's the programming in the cards. [0:03:15] So, if you want to call it "fraud," it's me. But it's not fraud; it's getting the job done right and getting those numbers in every single cell without — [0:03:30] — um, without double publishing because that's why our numbers were inflated. We double published because we didn't know we weren't just replacing; we had to delete a whole record. March 4 2021 Antrim County Board of Commissioners' Meeting Page 3 of 3 Antrim County Commissioner, Christian Marcus Antrim County Clerk, Sheryl Guy www.ubiquis.io Page 3 of 3 [0:03:45] So, if you have any of those questions, you bring them to me. Christian Marcus: Sounds like you just admitted to: one, breaking the law by making changes to the thing within a 30-day period. Two, admitting that you deleted files — [0:04:00] — and destroyed the integrity of the election in Antrim County. You've admitted to directing

your employees to do so. So, basically Antrim County's vote was completely skewed by your office and you're admitting it Sheryl Guy: No. [0:04:15] It was skewed by the lack of programming and we worked diligently to fix it and we did. And, if you want to drink Kool-Aid, keep drinking it because those machines are good. [0:04:30] Programs are good. Lack of education in a program we got last November. We never trained on it and it's our mistake. I owned it within four hours and that is all I've got to say about it. [0:04:45] Any other questions? Unknown Speaker: I have a comment. You know, not so hard on Andrew — [0:05:00]
