Natural Hazards Mitigation Plan-

Natural Hazards Mitigation Plan (NHMP): Leslie Meyers, emergency service coordinator, has held meetings, the Local Emergency Planning Committee (LEPC) has

provided input, and Community planners from Networks Northwest have been working on drafting a plan that reflects all input received. The LEPC went on a reconnaissance trip on June 14 in an effort to identify additional natural hazard areas. The plan was provided to the Planning Commission. Ms. Meyers has been asked to provide assistance to make sure that the Master Plan and NHMP work together. Ms. Meyers is currently working on getting the local units of governments that haven't responded as of yet to provide input. She held two virtual input sessions on October 4 and 5. The sessions included a presentation of the plan to date and also gave participants the opportunity to suggest changes and additions.

CDBG grant public hearing-

A public hearing will be held on November 8 at 10:00 AM in the County Board Room for the purpose of affording citizens an opportunity to inquire and submit comments on the available Community Development Block Grant (CDBG) Program Income funding. With funds coming in at \$45,123.54, over the \$35,000 threshold, we will need to follow MEDC – CDBG guidelines for home rehabilitation and emergency repairs for Antrim County residents who are at or below 80% of the area median income.

COA Property Ownership Transfer-

Draft quit claim deeds have been sent to Kearney and Forest Home townships to transfer the commission on aging property to the County. If they find the draft deeds acceptable, they will approve.

Property Swap with Village of Bellaire-

The County prepared maps and legal descriptions for the proposed property swap with the Village of Bellaire to own the parking lot by the food pantry in exchange for a piece down the center of Richard I Park the County owns. The County is currently working toward getting a survey completed.

Veteran's Affairs Blood Drive-

Antrim County Veterans Affairs is hosting a blood drive on Veteran's Day – Friday, November 11th – from 10:00 a.m. to 4:00 p.m. Versiti Blood Center will have one of their mobile units at the County Building for those interested in donating. Appointments are preferred and walk-ins are welcome.

MSU Survey-

Michigan State University has put together a survey to assess attitudes and perceptions concerning risks to drinking water in Michigan, with a focus on PFAS. This survey was developed by a research team at MSU and funded through the US Geological Survey's Water Resources Research Program. It is being distributed widely to residents throughout Michigan with the help of organizations like Northern Lakes Economic Alliance. The survey has been reviewed and approved for distribution by the MSU Institutional Review Board Office in the Office of Research Regulatory Support. Participation in the survey is completely voluntary. As an incentive to participate, every 10th email submitted at the end of the survey (up to 550 emails) will receive a \$25 Amazon gift card. This information will not be connected with survey responses in any way. The survey closes on Wednesday, November 23. My office has sent out notices

asking local units to help get the word out to their constituents. A notice has also been posted to the County's Facebook page and on the website. The survey can found at https://msu.co1.qualtrics.com/jfe/form/SV_cG9dCnHTIaUwWmW.
