Materials Management Plan (MMP)-

Networks Northwest is the designated planning agency to create a mandatory plan required by the state. This is a solid waste plan. Letters have been sent out to local units of government regarding the County's filing of the notice of intent. Individuals who qualify for meeting the requirements for the permanent committee are being identified. A notice was sent to local newspapers with a committee application and information on the County's website. If you know of anyone who qualify let them know.
